**COUNCIL ON CULTURE & ARTS**  
FOR TALLAHASSEE/LEON COUNTY

For 25 years, COCA has championed local arts and culture, ensuring that they are woven into Tallahassee's infrastructure. COCA works to find innovative and enduring ways to make the arts and culture a part of this community, bringing inspiration to our citizens and visitors. COCA functions as a community partner and a catalyst for artists and organizations. We offer professional development opportunities and technical advice, collect and disseminate arts information, and act as the region's foremost arts advocate.

COCA encourages widespread participation in the arts, helps build strong cultural organizations and individual artists, promotes awareness of the value of the arts, and directly supports cultural programs for children and the community. COCA is committed to promoting arts and culture in all its forms, including visual, performing, literary, and media arts, museums, and arts education.
