How much does it cost?

The first-time cost of a State of the Arts Plate is \$32 in addition to your vehicle's normal registration fee at time of renewal. Of that, \$20 is tax deductible. Future renewals are only \$22 each year in addition to the normal registration fee with \$20 being tax deductible.

To order for the first time:

At registration renewal time, simply mail this card along, with your renewal notice and a check for \$32, and your new State of the Arts Plate will be sent directly to you.

To purchase at any other time:

Just visit your local tag office, turn in your current plate and receive your new Arts Plate on the spot for \$32. Gift Certificates for State of the Arts plates are also available at your local tag office and make great gifts that also help your community.

How is the money used?

\$20 from the sale of each State of the Arts Plate sold in Volusia County goes directly to promote cultural and heritage awareness right here at home. The Cultural Council of Volusia County is designated by the State of Florida as the Local Arts Agency to administer these funds. Through a variety of programs and activities, the Council works with arts and heritage organizations to enhance the cultural quality of life of our community.

With \$20 received for each State of the Arts plate sold here in Volusia County, the more drivers that choose these plates, the more funds that will be available to support programs for organizations, individual artists and citizens of Volusia County .

It's a great way to be a Driving Force for the Arts!
